SUBJECTS.

Dewan's reply.—The repair of the road will be looked into. We recognise the importance of the bridges you ask for to make the main central road trafficable throughout.

Mr. Madhavan Valiathan requested—

297. *Vernacular High school at Thiruvella.*

(1) That a Vernacular High School might be opened at Thiruvella:

298. *Construction of canals, tanks and wells.*

(2) That canals, tanks and wells might be constructed in the Provertis of Nedumpram, Kaviyoor and Kadapra:

299. *Repair of roads.*

(3) That the village road from Mavelikara to Thiruvella might be repaired: and

(4) That the lane running from Pulikuzhi to Thalavadi might be converted into a village road.

Dewan.—It will be convenient if members of adjoining Taluks would previously consult and decide upon the subjects they should individually bring forward here. Now they are attacking the same roads and canals from both sides.

KARTIKAPALLI TALUK.

Mr. S. Krishna Aiyer enumerated his representations and said it would be enough if Government would kindly look into and dispose of them. They were:—

300. *Improvement of roads.*

(1) that the village roads from Keerikad to Haripad, from Haripad to Veeyapuram and from Pathiyoor to Muthukulom might be improved:

301. *Locks for Pathiyoor and Kartikapalli canals.*

(2) That the public roads from Haripad to Thrikkunnapuzha, Mavelikara and Kayankulam might be repaired and put in order:

(3) That locks might be provided at the mouths of Pathiyoor and Kartikapalli canals to protect the cultivation of paddy lands.

ERANIEL TALUK.

302. *Construction of canal via Manakkarai.*

Mr. Raman Tampi requested, on behalf of Mr. Padmanabha Pillai, that a canal might be constructed from Mambazhathuanai *via* Manakkarai in the Eraniel Taluk.

Dewan's reply.—Will be referred to the D. P. W.

Mr. Ponnaiya Nadar represented the necessity for a dispensary midway between Muttom and Thenkanpudur to the south of the Cape road.

Dewan's reply.—Will be looked into.

KALKULAM TALUK.

303. *Improvement and extension of a road.*

Mr. Madhavan Tampi urged the improvement of the Kumarapuram-Perumchilampu road and its extension so as to connect it with the road to Nanjenaad.

SUBJECTS.

Dewan's reply.—Noted.

VILAVANKOD TALUK.

304. *Maintenance of Irrigation works.*

305. *Hospital at Kuzhithura.*

Mr. A. Sri Narayanan Tampi represented the necessity for deepening and properly maintaining the Irrigation works in the Vilavankod Taluk and the want of a Hospital at Kuzhitura.

Dewan's reply.—Noted.

Mr. Thrivikramar Vasudevar requested—

306. *Removal of additional Sub-Registry office.*

(1) That the Additional Sub-Registrar's office at Vilavankod might be removed to a place in the centre of Arumana, Pakode, and Kalial Adhigaroms:

307. *Construction of roads.*

(2) That a road might be constructed from Parasala or Sankurutti to Vallavalathura: and

(3) That the following path-ways might be converted into roads:—

(*a*) the trace-road connecting the Kuzhithura-Thrippparappu road near Arumana Chavadi with the Marthandom-Kulasegarom road at the 3rd mile stone: and

(*b*) the six-feet trace leading from near the 1st mile stone on the above road to the 5th mile stone on the Parasala Rama Vurman Chira road.

TOVALA TALUK.

308. *Diversion of water of Alathurayar.*

Mr. S. Shunmugam Pillai requested that, after the completion of the Thovala channel, the water of the Alathurayar which would then run into waste might be diverted for irrigating lands in Aramboly and Muppandal. He also presented a memorial on the subject.

Dewan's reply.—This matter will be looked into. The points in the memorial will be noted.

The member further requested—

309. *Removal of silt below Pandian dam.*

(1) that the silt which had accumulated above and below the Pandian dam might be removed; and

310. *Improvement of a road.*

(2) that the road from Thadichakarenkonam to Masupathi river might be improved.

THE MERCANTILE COMMUNITY, TRIVANDRUM.

Mr. S. Swamy Aiyengar submitted the following representations and said that he would place them all before Government for favourable consideration as early as funds permit—

311. *Opening a Port at Vilinjam.*

(1) Opening a port at Vilinjam and connecting it with the Thiruvallam canal and the silted up A. V. M. canal:
